Friendliness, pride, leadership, and competition . . . all are facets of Crawford's total atmosphere. Friendliness is evident throughout the day. The lunch quad is the starting place of discussions and friendships. Students, teachers and administrators enjoy a close relationship. Pride in the school and in individual success is exhibited by every person at Crawford. The custodians work for the physical appearance of the school, while students uphold its honor scholastically and athletically. The committees of the Associated Student Body and the various other campus activities provide an opportunity for as many students as possible to have a voice in school activities. With the spirit of competition encouraging everyone to do his best and to support the school's endeavors, athletic events and school functions are well attended.

All these aspects form the spirit of Crawford High School. The 1966 CENTAUR is devoted to showing the spirit of the school expressed in the various parts of Crawford life.

Dedication

Supervising all school activities, as well as acting as an intermediary between the student body and the faculty, Mr. Clapper was instrumental in stimulating the spirit of Crawford.

Mr. Clapper was a guiding influence in all student activities, from the initial approval of the event to the final execution of the plans. His encouragement and firm discipline were a source of inspiration to all who worked with him. His presence at athletic events encouraged good sportsmanship and conduct. He was also a most enthusiastic spokesman for Crawford in the community.

For his service to the school and the students, the 1966 CENTAUR is dedicated to Mr. Charles Clapper.

DALE,
 AS A FRIEND,
 YOU'RE GREAT.
 YOUR REALITY
 TOPS THEM ALL.
 LUCK IN EVERYTHING YOU DO.
 OUR BIOLOGY CLUBS WOULDN'T
 BE COMPLETE WITHOUT YOU.
 HAVE A SWINING SUMMER.

The atmosphere of the Crawford campus was one of friendliness, enthusiasm, and intellectual rivalry. Warm laughter softened the stiff competition and the individual awareness of each student at Crawford High.

Colts Paid Tribute to Their Country

The R.O.T.C. ceremoniously raised the flag each morning.

Each morning at eight o'clock, Colts paused a moment to salute the flag and pay tribute to our great nation. While the R.O.T.C. Color Guard raised the flag, every student solemnly stood at attention as the strains of the National Anthem were heard throughout the campus. Some students thought of friends or relatives fighting in Viet Nam, others silently thanked God for the opportunity to live and work in a free land. Everyone felt anew the privilege and responsibility of American citizenship. The morning flag salute was a time of inspiration, dedication, and unity of spirits.

In the morning sunlight, the R.O.T.C. unfolded the flag.

Daily activities stopped during the flag salute.

Throughout the campus, students, teachers, and administrators paused to salute our country.

Late on a sunny spring morning . . .

Six Minutes Was Barely Enough Time to Rush to Class

Between classes, chaos prevailed throughout the patios.

Only six minutes! Six precious minutes to wander from class to class — to hunt for buried books, rumpled gym clothes, and squashed sack lunches or to work frantically on a locker combination. Frequently, it took the entire break for the cross-campus jogs from the 800 building to the isolated bungalows by the gymnasium.

With 3,500 Colts rushing out of class, the stairways and passageways seemed smaller and more crowded than in previous years. But the spirit of Crawford was intensified as the corridors rang with the warm laughter, shouts, and greetings of the friendly Colts.

During lunch, there was time for socializing on the quad steps.

Colts began the long trek to a class across campus.

Girls were taught useful techniques in home economics.

The Pacer staff editors conducted a business-like class.

Friendly but Keen Competition Pervaded the Scholarly Atmosphere of Crawford

Interested parents learned about the drivers' training trailer.

The larger experimental humanities class provided many special advantages and keener competition.

The orchestra practiced daily after school to perfect its outstanding performances.

In typing classes, practice made perfect!

Occupational training, modern equipment, language labs, and skilled teachers stimulated the process of learning. The large variety of subjects offered enabled Colts to explore many different and interesting fields. Calculus, fifth-year foreign languages, political science, honors courses, and other advanced classes have contributed to the scholarly atmosphere of Crawford.

Friendly, although stiff, competition pervaded the campus as Colts looked forward to college and greater challenges.

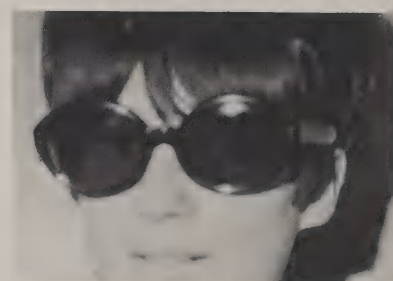

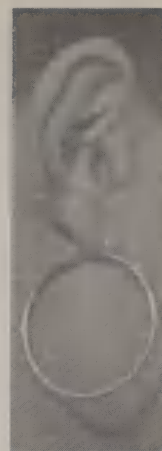

Studyhalls provided extra time to finish homework assignments.

Mr. Marlay assisted a student in architectural drafting techniques.

England Inspired This Year's Fashion Trends

This year the London Look was "in" and Crawfordites stylishly made the fashion scene. Girls strolled to class in hip-hugger skirts, colored and patterned stockings, ruffled or smocked dresses, and Courreges boots. Make-up was soft and natural, and hair was either long and shiny or cropped short in little-boy cuts. At games and dances, old-fashioned floor length, cotton print Granny dresses were popular. Many boys wore Prince Charles haircuts, boots, and brightly polka-dotted shirts. Although some Colts adopted the current fashion fads, many still sported the ever-popular traditional styles.

The total look was popular with Crawford co-eds.

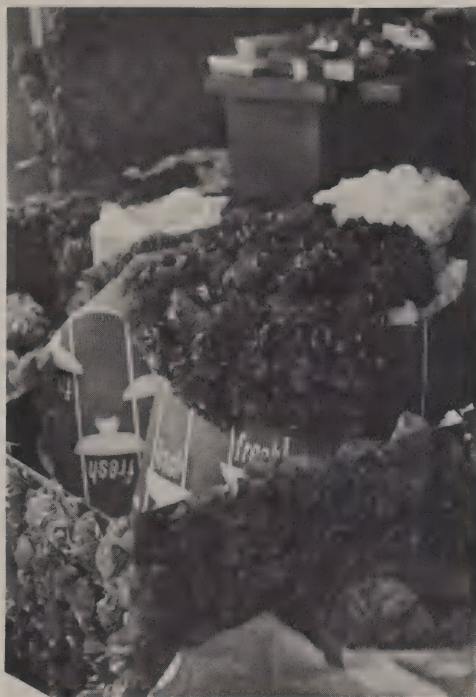

Crawford girls sported Courreges boots, poor boy shirts, and pop art dresses.

The spotlight was on legs—lacy, striped, checked, nubby, or bare.

Old-fashioned granny dresses were worn to games and dances.

School Spirit Was Expressed in Many Ways

Red, white, and blue flowers symbolized Homecoming Week.

Colts cheered wildly during the exciting San Diego C.I.F. semi-finals.

Proud seniors repainted the Senior Quad in red, white and blue.

The mighty Crawford "C" practiced under the direction of Shirley Buss.

School spirit, that intangible quality of campus life, was expressed by the willingness of all Colts to serve Crawford. Evidence of the athletes' hard hours was seen in the beginning of the third row of banners in the gymnasium and in the crowded trophy cases. The many activities required long hours on the part of the commissioners, chairmen, officers, and committees. But whether they held offices, sang in the choir, played basketball, wrestled, or just loyally attended the games and activities, the eagerness of the students to participate intensified the spirit of Crawford High.

Mr. Parry, our most spirited Colt, sternly judged the Cavemen in the Homecoming rally.

Spirited Colts leave a lunch rally.

Ordinary scenes around school — not unusual in themselves — were remembered by many Colts because, combined, they formed the atmosphere of Crawford High School. The crowd around the apple machine between classes, the friendly chaos in the cafeteria, the laughing students in the lunch quad, the line at the Financial Office of spirited Colts buying tickets to games, movies, and activities, all helped form the intangible spirit of the Crawford campus.

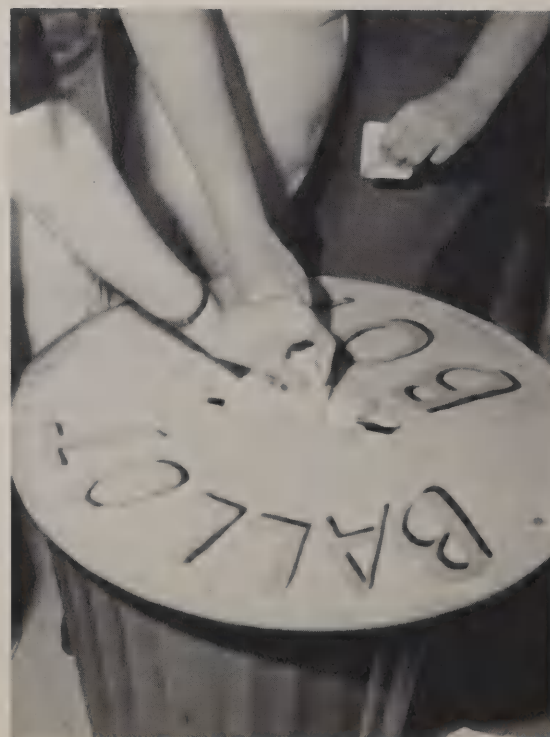

Here we have a Caver. "Duh-uh-uh."

Crawford Campus Wide Variety of

10 Key Club and Auroras participated in a mixer for new students.

Colts showed their spirit at the ballot box.

Songleaders and cheering crowds were common sights on campus.

Another "special event" on campus was the quiet chaos of the surprise fire drills.

Was the Scene of a Activities During 1965-66

Fridays, during lunch, Colts were cheering wildly at rallies in the gym—still another aspect of school spirit. Often the gymnasium was lighted at night for the basketball games and dances. Even the fire drills were considered part of the atmosphere of Crawford. The exciting games, the special assemblies, the movies during lunch, the rallies, and the spirited dances, plays, and sports will long be remembered as high spots in each Colt's years at Crawford.

Stir-Ups sponsored the successful Powder Puff Derby, featuring spirited and graceful songleaders!

After eating, Colts relaxed or studied in the cafeteria.

The Pacer-Ettes performed with the Marching Colts band in half-time shows.

"All hail Crawford High School, crimson, white, and blue, loyalty and honor, we will pledge to you, forever . . ."

Crawfordites Displayed Pep, to Cheer

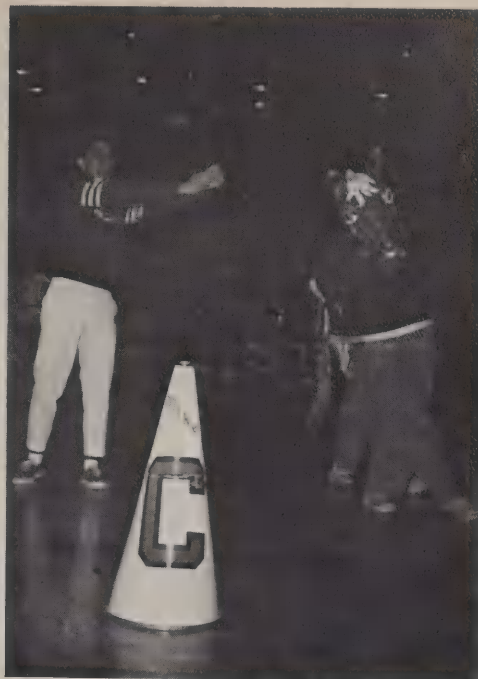

"Please intercept that pass . . ."

12 "All hail Crawford High School, we will be true to thee."

Colts cheered for the basketball team in the C.I.F. Play-offs at Golden Gym.

"Go . . . fight . . . win . . ."

"C-R-A-W-F-O-R-D . . ."

Spirit, and Enthusiasm Teams on to Victory

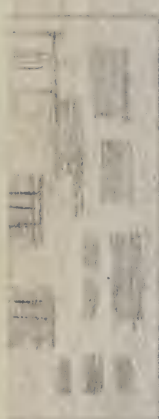

And another year is over. It was a memorable year of well-deserved victories and hard fought defeats, with loyal Colts supporting every team. Enthusiastic fans of football, basketball, gymnastics, and other sports turned out en masse to cheer the teams and individuals who strived so hard to make this year another success. The highly exciting games, with the screaming crowds, crucial decisions and plays, mounting tensions, and the joys and sorrows experienced were an important aspect of campus life. The thrill of winning and the sheer enjoyment of being a part of the spirited Colt crowd will always be associated with Crawford High School.

"Ready Colts . . . hit it!"

The Homecoming Quad Rally drew hundreds of cheering supporters.

FACULT

Y

Crawford's busy schedule revolved about its spirited faculty and administration. They readily offered their knowledge and understanding to the many students and organizations who sought guidance. The administrators, through the development of new and widening scopes of education, helped prepare the students for an active future. Their enthusiasm was only surpassed by the active spirit which they radiated.

*Crawford's Activities Were
Co-ordinated By Mr. Parry*

MR. PARRY

Congratulations to the Class of 1966! By reading this issue of the Centaur you will be reminded of your many successes and happy experiences. We hope your stay with us has prepared you for whatever path you may choose to follow. Never has a class had a more challenging future. We wish you continued success in your pursuit for happiness and a meaningful life.

George S. Parry
Principal

Mr. Clapper Took Pride

in the Class of '66

Each year with the graduation of the Senior Class comes a feeling of pride. The faculty and administration can certainly be proud of the accomplishments of the Class of 1966. This class has contributed much to the atmosphere and reputation of our school. Crawford has the reputation for high spirit, and for good sportsmanship. We are envied for our outstanding accomplishments in the academics and athletics.

Vice Principal

High Standards Were Commended

by Mrs. Agnew

Congratulations Class of 1966! Three short years ago you came to Crawford High School. Since then you have maintained the high standards that are a tradition on our campus. You have given generously of your time in service to the school and its many and varied activities. Now it is time to say goodbye, and to express sincere wishes for a successful and happy future for each of you. You will be missed.

Loris M. Agnew
Vice Principal

Mr. Maley Enjoyed His First Year

Allow me to express my gratitude for having been associated with Crawford's finest graduating class. The class of '66 has exhibited a degree of excellence in leadership, cooperation, and enthusiasm that will be hard to top. These qualities will go far toward insuring each of you success in your future endeavors. The very best of luck to each of you.

Students with numerous and varied problems found their way to the office of Crawford's advisors. Discussing personal problems, programming students, and supervising class activities kept the advisors constantly busy. The combined efforts of the advisors helped to make 1965-66 a profitable and well-organized year for each class.

Our Effective School Service

Cafeterians

Hundreds of hungry students lined up each day in the cafeteria lines while the cafeteria workers scurried about making final preparations. The dedicated cafeteria workers again this year prepared delicious hot lunches for hungry Crawford Colts.

Custodians

Under the guidance of Mr. Blackburn, the custodians worked many long and hard hours to keep Crawford High School the clean and beautiful campus it was. Everyone sincerely appreciated the kind consideration and cooperation of the custodians.

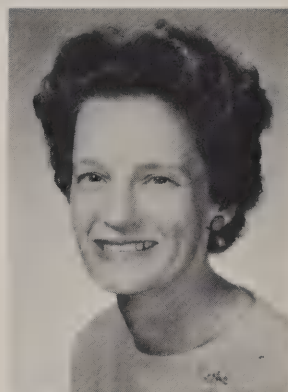

Secretaries

Service to all was the purpose and the goal of the secretaries. They compiled the daily bulletin, and kept attendance files and student records. The good work of the friendly secretarial staff was evident in the efficient management of Crawford High School.

Strange Gallic customs were the subject of an inspiring Latin discussion.

A great interest in foreign countries and their languages has been shown by the 1,650 students now enrolled in foreign language classes. The language lab aided the instructors in developing skills in vocabulary as well as strengthening pronunciation. With the increased significance of foreign affairs, a working and speaking knowledge of other languages was beneficial.

Beginning with the Crawford competition, Jim Williams talked his way through the district, area, and state championships of the National Veterans of Foreign Wars Voice of Democracy Contest. Jim then presented his lauded speech, "Democracy — What It Means to Me," in the national competition and captured second place. The award included a \$3,500 scholarship which Jim received from Secretary of State Dean Rusk.

Lonnie Terry's experiments with the effects of radiation on fruit flies enabled him to win fourth place in the 16th Annual National Science Fair International. Lonnie entered in national competition after winning the Senior Boys' Sweepstakes division of the San Diego Science Fair. He was then presented a special award by the United States Atomic Energy Commission for his efforts in that field.

This year Crawford had an unprecedented number of students qualifying as National Merit finalists. As a result of their high scores on the National Merit Scholarship Qualifying Test, Steven Archibald, Margaret Benson, Diane Callaway, James Dyke, Lionel Joseph, Laura Nelson, Herbert Terry, and Teresa Thesken were named as semi-finalists. On the basis of their Scholastic Aptitude Tests and financial need, all eight were selected as finalists. National Merit Finalists are included in the top one per cent of the nation's high school scholars.

The C.S.F. Gold Seal on one's diploma was desired by all Crawford scholars. An A minus average at four semester reports, including one semester in the senior year, were requirements for this mark of academic excellence. Membership entitled the student to apply for scholarships provided by the California Scholarship Federation.

C.S.F. Memberships Were Many in '65-'66

By earning the A's and B's for the ten points required, over 200 students were awarded membership into the California Scholarship Federation. The purpose of C.S.F. is to promote scholastic achievement by recognizing the scholars as members of the statewide society.

Four Students Attended Youth Legislatures

Boys' State and Girls' State are annual model legislatures sponsored by the American Legion Post. Students selected from schools all over California assemble in Sacramento to elect the State officials and hold legislative sessions.

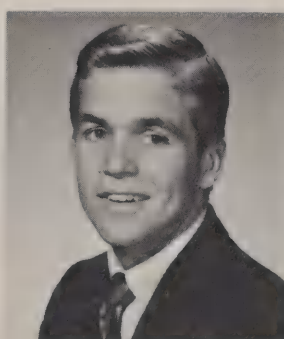

After nominations from teachers, the administration chose Robert Stern to attend Girls' State; and David Dorman and Alan Rosen to participate in Boys' State. Jim Boaz was selected by another chapter of the American Legion Post.

Debby Butterfield Showed Spirit In Finland

Debby Butterfield

Under the Americans Abroad program of the American Field Service, Debby Butterfield went to Dalsbruk, Finland, for three months. The family she stayed with included a mother, father, sister, aged 17, and two brothers, 18 and 20.

"Dalsbruk is a small agricultural and industrial town, surrounded predominantly by beautiful lakes and forests," Debby said. "Daily life was very much like it is here. Sailing, tennis, swimming, and dances were frequent pastimes. I did have many new experiences with food, language, and customs. I found sauna, the Finnish steam bath, and pitching hay to be the most fun."

The surrounding forests offered beautiful sites for Debby and her friends to picnic.

Tone Seim

Tone Seim arrived in San Diego from Kragero, Norway, and found everything she expected to find in America.

Dear Crawford,

I cannot fully express how great it has been to be Crawford's A.F.S. student this year. For me, Crawford was an especially pleasant surprise. I was delighted to find that I could choose among so many different subjects. I used the opportunity to take classes such as art and public speaking that they do not offer at home. Something you will not find in Norwegian schools is all the responsibility given to the students. Student government, the clubs, dances, the different sports, and the informal atmosphere between the students and teachers impressed me greatly.

It is fantastic how much you can learn about other people just by living in an ordinary American home. I think this is what makes the American Field Service so great; people from different countries learn to know each other and understand each other.

Sincerely,

Tone Seim
Tone Seim

Tone Seim and Abdu Said Found School

Tone experienced the joy and festivities of an American Christmas.

In her leisure hours, Tone enjoyed playing the guitar.

Tone often helped with the daily routine of housekeeping.

Abdu Said, from Addis Ababa, Ethiopia, was Crawfords' male exchange student. He expressed his feelings about Crawford in this way:
Dear Crawford,

It was a great privilege to be honored as an A.F.S. student among the most wonderful people in the loveliest school I have ever seen. Each and every member of your school has taken part in my happiness to make me 3,000 times happier than before.

I was equally happy at home, enjoying every hour of my life with the Kings. They willingly opened their door to give me insight into the American life, which I found amusingly interesting. Camping, fishing, sailing, and going places of interest built up my priceless and very unique store of experience.

The average American that I have encountered has been cordial, friendly, smiling, and really nice. There is nothing I can do but be grateful to every American; especially to the American Field Service who made me feel ten miles away from home instead of 10,000! May friendship live forever!

Truly,

Abdu Said

Forming the core of the spirit of Crawford was the 1965-66 Associated Student Body Council. The members of the Council worked together to co-ordinate and oversee all phases of curricular and extra-curricular activities at Crawford. Striving to achieve a thorough understanding of how a democracy works, the Council was responsible for providing a forum for orderly student opinion and expression through the A.S.B. Senate. Developing and improving correct citizenship practices, attitudes, and a spirit of true democracy, the Council provided for and encouraged student voting in general elections. The Council was also responsible for providing incentive for school spirit, unity, loyalty, and friendliness through all-school rallies, assemblies, Homecoming Week, the A.S.B. Ball, the Nominating Convention, and the new book store. The A.S.B. Commissioners made many worthwhile contributions toward making the campus life of each Colt more enjoyable, while building in them the strong democratic foundation so vital in adulthood.

A. S. B. Senate Provided Students With a Voice in Government

In conjunction with the democratic spirit and tradition upheld at Crawford, the Associated Student Body Senate provided each and every individual with an opportunity to express his voice in school government. The Senate, Crawford's largest representative body, provided a means of communication between the students, student body officers, and administration. Two Senators represented the students of each English or social studies class at the monthly sessions of the Senate. Problems of current interest to the students were focused upon at the Senate meetings. Presiding officer, Ron Crosthwaite, helped the senators in weighing the worth of proposed resolutions for school improvement. Such problems as establishing a unified code of school good grooming standards were introduced, discussed, and solutions were resolved and acted upon by the A.S.B. officers and the administration. This vital group strove to achieve perpetual high quality leadership and democracy already established at Crawford High School, in the eyes of the students, the faculty and the community.

Vitality acting to co-ordinate and supervise Crawford's many clubs and organizations, the 1965-66 Inter-Club Council consisted of one representative of each school-sponsored group on campus. This group met once a month under the guidance of Commissioner Chris Benson to codify school rules as well as to evenly distribute events throughout the year. The prime result was a successful balance of activities and a successful exchange of new ideas and information. Initiating a new tradition to encourage a friendly unity among the clubs, the Inter-Club Council sponsored an all-club talent show.

Inter-Club Council

Student Affairs Committee

Commissioner Chris Benson and the Student Affairs Committee were responsible for coordinating the calendar of activities during the year. But the main accomplishment of the Committee was the tremendous spirit and success of the 1965 Homecoming activities such as Donut Dunk 'Em, the Alumni Reunion, the quad rally and the decorations. The committee was also responsible for the wonderful decorations for the A.S.B. Ball "Scheherazade." The Student Affairs Committee played the leading role in promoting spirit and liveliness this year at Crawford.

Striving for "TIC" or "Totally Immaculate Campus," this year's theme for the annual clean campus campaign, the Thrift and Clean Campus committee led the way in keeping Crawford free of litter. This committee, headed by Commissioner Sue Passel, proved to be worthy as Crawford placed high in the city-wide clean campus competition. Another function of the Thrift and Clean Campus Committee was to encourage the sale of United States saving stamps and bonds. These two vital school services offered by this committee further contributed to a spirit of pride in the appearance of Crawford.

A. S. B.

In an attempt to surpass the success of the 1965 Nominating Convention, the Elections Committee devoted its strongest efforts to planning and executing this year's Convention. A more spirited campaign atmosphere was stressed and became a reality as the 1966 Nominating Convention became a tumultuous success and increased the self-governing spirit which prevailed throughout the year. Other functions of this committee and Commissioner Shirley Buss were to supervise and co-ordinate Junior Varsity and Varsity Song and Cheerleader elections, Homecoming elections, grade-level elections, and the final A.S.B. Elections. Once again, the well run elections, and overall democratic spirit can be attributed to the strong efforts of the Elections Committee.

Originality and quality were the major goals of the 1965-66 Publicity - Publications Committee in publicizing the many A.S.B. activities during the year. This year's committee, under the outstanding leadership of Debby Butterfield, worked diligently to promote interest and enthusiasm in school activities among students. Reaching out through such media as fluorescent posters, clever and bold bulletin boards, and the school PACER, the publicity committee again proved indispensable to the unity of Crawford's students.

Rallies & Assemblies Committee

Exciting, peppy rallies which spurred Crawford's teams to victory were a product of the imagination of the members of the Rallies and Assemblies Committee, under the direction of energetic Commissioner Peggi Blackman. Clever skits, pep banners and numerous forms of entertainment highlighted the lunchtime rallies in the gymnasium on many Fridays throughout the year. Besides devoting many hours to planning rallies, Peggi and her committee also presented a variety of interesting and entertaining assemblies in the auditorium during lunchtime and hootenannies. Fun, entertainment and school unity were the goals of this spirited committee.

One of the finest, most popular, and worthwhile organizations at Crawford is the Girls' League. Striving to get as many girls as possible to participate in its activities was the main goal of Girls' League this year. These activities were co-ordinated and promoted at the council meetings held every other Wednesday. Basically, service and social activities comprised the agenda for the year. Such activities as Autumn Round-Up, April al la Mode, the Dad and Daughter Banquet, Mother-Daughter Tea, Girls' League Week, the sophomore Tea, and the Christmas Mailbox were sponsored by the Girls' League Council. In addition, such services as food drives, supporting an orphan, the Big Sister Program, Good Grooming Tips, and Teacher Appreciation Day were worthily planned by Girls' League.

Boys' Federation Sponsored Worthwhile Functions

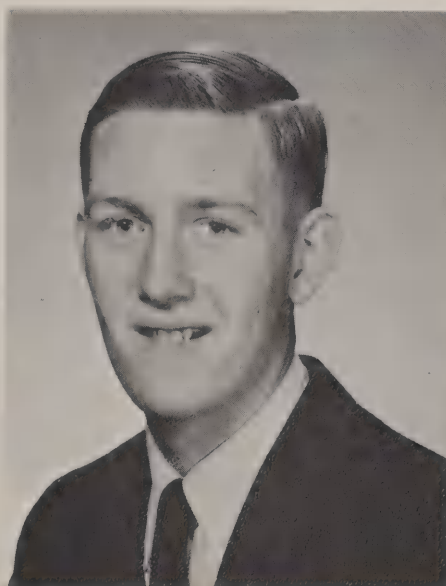

Contributing to the spirit of activity at Crawford, the Boys' Federation sponsored many events in which each and every boy could participate. With Commissioner Jim Tidwell as presiding officer, this organization, composed of one representative from each physical education class, moved toward the goal of encouraging strong representation of the male portion in campus life. Many new and exciting activities were incorporated such as the Fisher Auto Body Craftsman Assembly, and an all-school car show. The traditional activities such as the button sale, Autumn Round Up, a movie and monthly meetings were also continued by the members of Boys' Federation. Through such fine achievement and character building, the Boys' Federation did much to strengthen the school's spirit and unity.

Juniors Worked the Year

Guided by President John Dorman, the Junior Class has accomplished its goal of earning enough money to enjoy the senior privileges awaiting them, and of unifying the entire class of nearly one thousand in spirit and activity. Breaking old traditions, and initiating many new ones, the Juniors set a new trend in class activities. Included among these activities of the class were the Junior Class Party, "Tahitian Tamure," featuring polynesian costumes and entertainment, the semi-formal Junior Ball, a pickle sale, and several lunchtime movies. In a special election, the "Futura" was chosen as the official class ring. The ambitious Class of 1967 with the great spirit, and pep contributed their best to the spirit of the school.

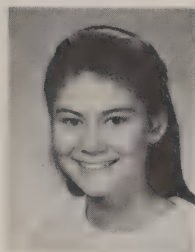

Featuring ivy, lace and other finery of the Old South, the Junior Ball held on May 13 climaxed a year of bustling activity for the Juniors.

Emphasizing original ideas, the 1966 Sophomore activities included the Class Party, "Future 007," an idea originated by the student leaders which was one of the most successful ever held. Through sales and lunch-time movies, the Sophomores began building funds which will enable them to have many activities without tremendous cost in the future. Representing the Class of 1968, the Sophs assimilated into the prevailing atmosphere of loyalty and spirit.

In preparing High School leaders for responsible positions in the community, the Crawford chapter of the Key Club International was invaluable. School Service *Earnestly and*

Assisting teachers, and campus organizations in countless ways, the members of the Art Service class made a unique and vital contribution of talent and service to the spirit of the school. Each day many hours were spent by these talented individuals designing banners, posters and signs to be displayed around the school. Mr. Stephens, the advisor, gave his valuable assistance to the members as they worked daily on these projects. The art service class became an essential part of the publicity system at Crawford as they utilized their capabilities with the pen and brush to serve Crawford. Truly the Art Service class has become one of the most important facets of the spirit of dedicated service at Crawford.

Typing Service

Composed of five senior girls with superior secretarial skills, the typing service class donated its services to the administration. These girls relieved teachers of such time consuming tasks as duplicating tests, thermofaxing teaching materials, and typing lecture notes, tests and study guides. Working each day during second period, the Typing Service class has provided the girls with practical experience while enabling teachers to concentrate on actual teaching.

Organizations Operated

Stage Crew

Efficiently

Under the capable guidance of Mr. Van Buskirk, the stage crew once again was an indispensable aid to Crawford's dramatic productions. These industrious young men worked behind the scenes to insure smooth-running performances. Operating the projector for movies, and handling lighting, curtains and props were all the responsibility of the stage crew, as they served Crawford.

Working in the many offices and library daily as a classroom situation, the monitors have made an invaluable contribution to the efficiency of the system of school administration. Such services as delivering passes, answering phones, taking messages, checking attendance, taking temperatures, shelving library books, selling tickets, working adding machines, filing report cards, and running various errands were all capably handled by the monitors. Their importance to the school was realized and appreciated by everyone. This fine group of people, by offering such services and assistance to the administration, were in turn rewarded with the satisfaction of contributing to the school.

Colts Enjoyed and Participated in Many Special Events

Stir-Ups sponsored a Pep Bus to Milliken the first week of school.

P.T.A. sponsored many after-game dances at Colina del Sol.

A.S.B. sponsored a folk 'n' roll band, "The Young" in concert.

Traditional events played an important part in school life at Crawford. In addition to these, clubs and organizations sponsored many other special events. Stir-Ups sponsored a Pep Bus to Millikan at the beginning of the year. The P.T.A. sponsored many after-game dances which added greatly to the enjoyment of the football and basketball seasons. Other events included a Powder Puff Football Derby, a folk 'n' roll band in concert, a girls vs. boys basketball game, and the Colts Marching Band and Drill Team participation in several parades.

The All-School Play, "Out of the Frying Pan," dealt with the frustrations of actors living in a boarding house.

Amid colorful Western decorations, Colts "jerked" and "James Browned" to the music of the Impala's.

Autumn Round-Up Was the First Big Activity of the Year

Sandy Kramer, Girls' League President, and Jim Tidwell, Boys' Federation President, introduced one of the guests of honor at Autumn Round-Up—Tone Seim of Norway.

Abdu Said and Tone Seim, Crawford's American Field Service Exchange Students, were honored at Autumn Round-up, our annual fall mixer. Co-sponsored by Girls' League and Boys' Federation, the dance was planned by Gail Reed and Jim Tidwell. Door prizes, Western decorations, and swinging music by the Impalas provided an enjoyable and congenial atmosphere for Colts to make new friendships and renew old ones. Both girls and guys arrived at the gymnasium ready to rock and made the sell-out dance at smashing success. It was an exciting climax to Crawford's first week of school. Autumn Round-up '65 will long be remembered by all those who attended.

Between dances, thirsty Colts refreshed themselves in the Dance Room.

Happy coeds posed with their "snagged" dates.

Couples danced in the romantic atmosphere of Paris.

Friday, April 22, was the official beginning of spring for Colts. The annual Girls' League Dance, April a la Mode, was held in the Crawford gym from eight to eleven. The theme was April in Paris, and the decorations included a replica of the Eiffel Tower in the center of the gym. The refreshment room was transformed into a sidewalk cafe and French pastries were served. Fragrant pastel flowers were sold in the foyer. Crawford coeds wore their freshest dressy cottons and danced to the music of the Impalas. April in Paris was planned by Judy Doty and her committee and very successfully and prettily marked the beginning of the spring season.

The dance room was a Paris street scene with large painted murals.

Outstanding Senior Girls Were Honored

Given the highest possible recognition by the girls of Crawford High School, Chris Benson was honored as Coed of the Year. Known for her bright smile and friendly manner, Chris personified the Crawford ideal of personality, school service, and scholastic achievement. A.S.B. Commissioner of Student Affairs in her Senior year, Chris was also Senior Awards Chairman, Secretary of her Sophomore Class, Girls' League, C.S.F., and Junior Y-Teens, a Junior Ball Chairman, a member of Auroras, and Activities Editor on the *Centaur*. Though busy with many activities, Chris maintained a 3.8 grade average and was a National Merit Finalist.

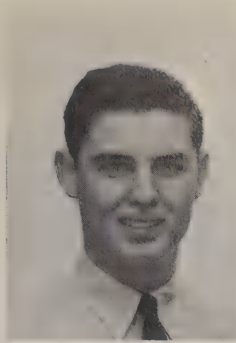

The eight Girls of the Month pictured here were outstanding members of the Senior Class who were recognized for their participation in activities and their high personal qualities. The coeds chosen were: Chris Benson, Commissioner of Student Affairs; Peggi Blackman, Commissioner of Rallies and Assemblies; Shirley Buss, Commissioner of Elections; Sandy Kramer, Commissioner of Girls' Activities; Nancy Seymour, H.S.S. President; June Reznikoff, Commissioner of Finance; Robyn Berrey, Senior Y-Teens President; and Kelsey Marshall, Mother-Daughter Tea Chairman and Senior Class Ways and Means Chairman.

Top Athletes Were Recognized for Their Ability

Tom Rubin, Senior halfback, was elected Mr. Football by the football enthusiasts of Crawford High School. Jim Hunter, defensive safety, and Mike Schell, tackle, were selected as runners-up. Five foot nine, one hundred eighty pound Tom was a great asset to the team with his outstanding running and pass receiving ability. He gained a total of 364 yards rushing in 90 carries with a 4.04 average. Tom had a 21-yard average on punts and kick-off returns and scored 40 points.

The Athletes of the Month were chosen for their proficiency and skill in a particular sport which took place during the month for which they were selected. Tom Rubin was chosen October's Athlete for his football ability. Larry Boles, November Athlete, was the Cross Country Team Captain and sparked the Harriers to an Eastern League victory. December Athlete, Mike Arnett, was first man on the rope climb and helped the Gymnastics Team win their third straight C.I.F. championship. Von Jacobson and Greg Montanero, January and February Athletes, were selected for their basketball prowess. Von was C.I.F. Player of the Year and both helped the team in their tremendous comeback in Eastern League. Dexter Lanois, a top Crawford wrestler, was chosen March Athlete and Dan Patton first man in the A relays, the 220 yard dash, and the 100 yard dash, was selected April Athlete for his track ability. Mike Ace, an outstanding freestyle man on the Swimming Team, was May Athlete.

Senior Y-Teens and company arose at five o'clock Saturday morning to finish the float.

Spirit, Excitement, and Fun Pervaded Homecoming Week 1965

Beginning in the summer to plan and organize details, many individuals and organizations worked months towards the common goal of a successful Homecoming. Their hours of preparation and anticipation were rewarded many times over when Homecoming Week 1965 finally arrived. Beginning October 25, and ending Saturday, October 30, each moment was filled with spirit and excitement. The week's activities included a quad rally, the Powder

Pep Band Put Jazz into Crawford's Spirit

This group of very talented musicians added immeasurably to the success of every rally and many football and basketball games during the past year. The Pep Band's presence at so many of these functions helped the Song and Cheerleaders to enliven the atmosphere, while it formed a background for the excitement of all Colts.

Crawford is indeed proud of its Pep Band and the excellent job it did this year.

Our Pep Band was acknowledged as the best in San Diego.

MR. AND MISS PEP
Nancy Miljas — Larry Leatherman

Nancy, Larry, and Attendants Were Honored for Their Outstanding Pep

From the multitude of spirited Crawfordites proud of their school, eight were selected by the student body to be honored for their outstanding display of school spirit. Larry Leatherman and Nancy Miljas were honored as Mr. and Miss Pep 1966. Their court consisted of Peggi Blackman and Mike Ratliff, Seniors; Linda Goldschneider and Dave Warren, Juniors; and Barbara Forest and Louie Schwartzberg, Sophomores. Always cheering at the games and rallies and backing Crawford all the way, these Colts were leaders in enthusiasm and spirit.

Peppy Sophomores Cheered for the Junior Varsity

Demonstrating the ultimate in school spirit, our Junior Varsity Song and Cheerleaders, Donna Penn, Linda Sisson, Barbara Forest, and Louie Schwartzberg succeeded in drawing a great amount of pep and zeal from the spectators at all J.V. games. The Sophomore Class did an excellent job in selecting these very spirited Colts as their representatives. They played an essential role in providing an incentive for our Junior Varsity teams to try their best.

Barbara Forest, Louis Schwartzberg, Donna Penn, and Linda Sisson cheered for 1965-66 J.V. teams.

Enjoyed an Evening at "Scheherazade"

The Ninth Annual Associated Student Body Commissioners' Ball, "Scheherazade," was presented on February 4, 1966.

Under the general chairmanship of Ron Crosthwaite and Chris Benson, the A.S.B. Council and the Student Affairs Committee began organizing the event several months in advance. The Council was in charge of the many details while the committee was in charge of decorations. The hard work and planning of these people paid off as the many couples in attendance had a memorable and delightful time in the land of Scheherazade.

"Scheherazade," the Ninth Annual A.S.B. Ball, was presented by the Associated Student Body Commissioners of Crawford High School on Friday evening, February 4, 1966. Held in the Community Concourse Convention Center, with music by the "Accents," this was acknowledged as the most successful A.S.B. Ball ever presented for the student body. Starting at eight, and lasting until twelve o'clock, each moment was filled with enchantment and magic, in the romantic atmosphere of the Arabian nights.

1200 people attended this year's A.S.B. Ball.

The Pep Band added immeasurably to the spirit and success of every rally.

All Colts were urged to "Buy an A.S.B. Card" and support their school.

Scheherazade and the handsome Prince danced at the A.S.B. Ball.

Rallies and Assemblies Stimulated Spirit and Provided Entertainment

The choir presented many enjoyable assemblies for the students.

Characters from the "Peanuts" comic strip

Peggi was the all-important person who directed and inspired each rally.

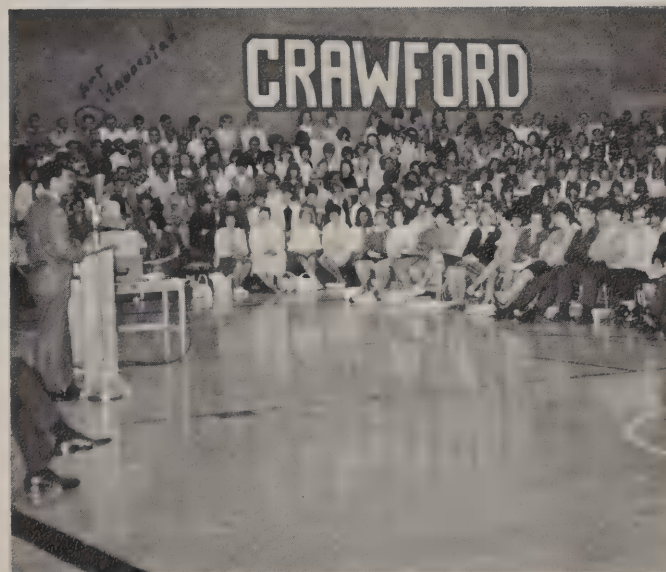

And what would a rally be without Nancy?

Through the hard work, planning, and creative thinking of Peggi Blackman and her committee, many fine rallies and assemblies were presented to the student body of Crawford High School this year. Every Friday on days of home football games and for many basketball games, energetic Colts gathered in the gymnasium to view entertaining skits and to cheer our teams to victory. A continual source of enjoyment, these rallies boosted pride and increased spirit in Crawford High. The assemblies were planned with the varied interests of the student body in mind and thus were successful and well-attended.

The atmosphere was much like that of a national convention: tense, frenzied, and fun.

Roving mikes transmitted the votes to the chair.

The whole gymnasium was covered with banners and posters.

With an emphasis on a livelier campaign spirit and more competition for offices, the Tenth Annual Nominating Convention was called to order by Commissioner of Elections, Shirley Buss, on Thursday morning, April 28, 1966. With a record number of people participating in elections, excitement was high as delegates and supporters campaigned for the candidates of their choice. Banners waved, horns were blown, and confetti flew as the results came in and the final candidates for the offices were announced.

Campaigning

Delegates listened closely to speeches to better judge the candidates and their qualifications.

Planned and executed efficiently, the convention adjourned at 5 P.M.

Juniors danced to the music of the "Pagans."

Juniors Entered an Exotic Paradise at "Tahitian Tamure"

Students came in grannies, muu-muus, and grass skirts.

On March 4, 1966, members of the Junior Class arrived at the Crawford gym to find it transformed into a tropical paradise for their class party, Tahitian Tamure ("Tamure" means "party" in Tahitian). The South Seas theme was carried out in the decorations—palm trees, grass huts, and fish nets. Students were attired in shorts, capris, grannies, muu muus, Hawaiian shirts, and even grass skirts. Free refreshments, prizes for the best costumes, and an exotic Tahitian floor show added excitement to the evening. At nine o'clock, the "natives" began dancing to the music of the Pagans. Planned by Co-Chairmen Shannon Mow and Karen Glenney and their committee, Tahitian Tamure was an enjoyable and memorable event.

Dancing, South Sea Style??!

Costumes were wild, weird, and colorful.

Sophomores entered the world of espionage Friday, April 1, at their Class Party. Over three hundred Sophomores attended the annual event. This year's theme, "Future 007", was carried out in the *Goldfinger* decorations and the spy costumes. The Contrasts provided music for dancing and a jazz band and modern dancers also entertained. Free refreshments were served in the dance room, which was decorated like a night club.

The dance room was converted into a night club that featured refreshments and entertainment.

Entertaining skits, door prizes, and prizes for best costumes were highlights of the evening.

Girls' League Offered Worthwhile and Enjoyable Activities

Dads 'n Daughters enjoyed themselves at their Valentine's Day Banquet.

Girls' League provided an opportunity for all Crawford girls to participate in numerous worthwhile activities, Autumn Round-Up, Dad and Daughter Banquet, Mother-Daughter Tea, and April a la Mode were all successful events planned by the Girls' League. The girls also sponsored a Peace Corps Assembly, collected canned foods for needy families, supported an orphan, Flavio, in Mexico, and operated a Christmas mailbox. Under the dynamic leadership of Sandy Kramer, Girls' League forged ahead.

For only one penny, students could send seasons greetings via the Girls' League Mailbox.

The Battle of the Sexes was carried on even further in this basketball game.

"An Evening with Dad" was held on February 14.

The Colt Mascot Symbolized School Pride and Spirit

Bob and Gary take some time out at a football game.

The mascot's antics livened up many rallies.

Crawford's peppy Colt Mascot did an excellent job of representing its school and promoting enthusiasm at games and rallies this year. Bob Dress and Gary Olkowski, the agile "occupants" of the Colt, performed most effectively and succeeded in symbolizing the spirit of the school. The Colt personified the intangible Crawford spirit and pride—that which exults after a victory, but never surrenders after a defeat. This Colt Mascot will long be remembered as one of the best Crawford has ever had.

The Colt gets an affectionate and well-earned pat.

The many hours of practice and creative thinking spent by our Varsity Song and Cheerleaders were evident as they enthusiastically and ably led the crowds in cheering our teams to victory. Sporting their red, white, and blue at games and rallies, and on Color Day, they were a constant source of spirit and pep.

This group of eight peppy and enthusiastic Colts did more than any other to maintain the high standards of Crawford's school spirit and pride.

Crawford's surfing enthusiasts are pictured with their advisor, Coach Malcolm.

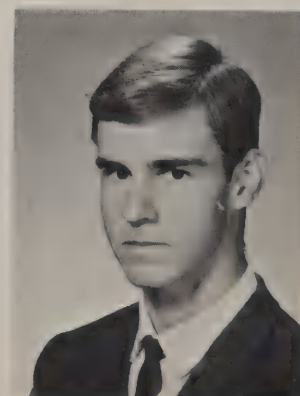

Reflecting the spirit of Crawford and of all San Diego, the Surfing Club engaged in this popular water sport activity. Under President Rick Morse, the club sought to promote the conduct of members, to improve their surfing techniques, and to provide an opportunity for social activities. The sponsorship of a one-day surfing movie during lunch and meetings at the beach were some of the events in which the members participated.

Bowling Club Promoted Friendly Competition

A bowler released his winning ball with excellent form.

Each Thursday after school, members of the Crawford Bowling Club gathered at University Lanes to engage in friendly competition in the spirit of good sportsmanship and fun. In addition to increasing their proficiency at the sport, the bowlers learned to win and lose gracefully. At the end of the exciting season, gleaming trophies were awarded to the girls and boys with the highest individual series and game and to the first, second, and third place teams. Under the sponsorship of Mr. Bull and Mr. Hunt, the Crawford Bowling Club completed another successful season.

Girls Engaged in Sports Activities After School

Badminton was a challenging sport of G.A.A. members.

Active and popular, the Girls' Activities Association promoted interest in girls' sports by providing an opportunity to participate in activities after school. Members met two or three times a week to participate in bowling, golf, tennis, badminton, volleyball, track, modern dance, gymnastics, swimming, and softball. Under the leadership of Jean Davenport, the G.A.A. attended various play days where they competed with girls from other schools.

Stir-Ups decorated the football field before a big game.

Crawford's Pep club enjoyed an active and spirited year under President Barbara Henion. Five spirit buses took peppy Colts to Long Beach for the first football game of the season. Stir-Ups' other activities included a successful Powder Puff Bowl during Homecoming Week and Mr. and Miss Pep and Mr. Football elections. Members sold helium filled balloons at the Homecoming game, providing spectacular accompaniment to the crowning of Queen Candy Groves. The traditional mighty Crawford "C" cheered the team at all home football games.

A vital source of Crawford's spirit this year was contributed by the skilled and enthusiastic Pacer-ettes. An especially talented group, they represented Crawford during the halftime shows at home football games and in performances in civic parades. The complex formations which demanded hours of practice time after school were executed dramatically in conjunction with the Marching Colts Band.

This year the Red Cross became one of the most useful and active clubs at Crawford. President Olivia Reynolds led a successful enrollment drive during November. In December, the group worked busily to provide a needy family with a fabulous Christmas, complete with all the trimmings. The dedication and enthusiasm of the Red Cross Club was an integral part of the spirit at Crawford.

The Choir and the Girls' Chorus brought much pleasure to music lovers of Crawford and southern California this year. The Girls' Chorus frequently performed at school concerts and assemblies and participated in the City Schools Choral Festival. One of the best mixed choirs in Southern California, the ninety-voice Crawford Choir appeared at several school functions. The members will long remember their trip to Santa Barbara to sing at the state convention of California Music Educators Association.

Crawford's music department was run smoothly through the combined efforts of the choral and band councils. The councils were always busy with the responsibility for coordinating activities within the choral and instrumental performing groups. By financially assisting the music groups, the councils provided extra opportunities for extending their activities. The Symphonic Band performed well throughout the year and was active in promoting Crawford's spirit in city-wide festivals and competition.

Under the direction of Mrs. Archibeque, the choral department of Crawford was enhanced by the addition of the Boys' and Girls' Ensembles. In addition to performing for many dinners and concerts, they both received high ratings at the San Diego County Solo and Ensemble Festival.

Crawford's Madrigal Singers is a group comprised of sixteen of the best voices and music readers at school. Performing in the Annual Mesa College Madrigal Festival and participation in the Fontana Invitational provided both success and enjoyment for these enthusiastic students.

With the guidance of Mr. Robinette, Crawford has had one of the best musical years in its history. The string and symphony orchestra earned a fantastic record of awards at various festivals throughout the year.

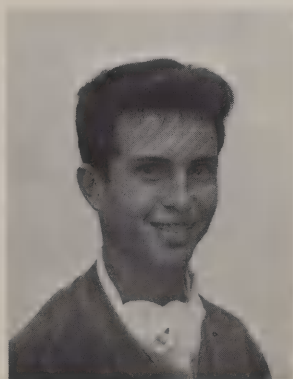

Under the capable student leadership of Doug Kvandal, the stage band surpassed its previous achievements by winning the Southwestern College Festival, topping all comparable bands in the area.

The addition of new instruments and better equipment, along with further improvements by the musicians themselves, brought new awards and recognition to the fine symphonic band.

Precision formations and spirited music were the specialties of the Marching Colts Band this year. During half-time at home football games the band joined the Pacer-ettes in providing entertainment. Majorette Joyce Hilton proved to be invaluable as leader and coordinator of the group. The addition of Mike Gray and Jody Nelson as Crawford's first baton twirlers generated extra spirit in several parades and shows.

Royalty Reigned Over Regimental Ball

Linda Todd was chosen this year to reign as the R.O.T.C. Queen. The other members of her royalty were Kay Williams, Junior Attendant, and Debbie Roel, Sophomore Attendant. These girls were elected by the corps in October and were presented throughout the year at the Regimental Ball, parades, and other official functions. The contest, as usual, was highly competitive, and the R.O.T.C. picked three lovely girls to be their honorary officers.

Crawford R.O.T.C. cadets had the opportunity to participate in three outstanding groups, the Color Guard, the Fancy Drill Team, and the Rifle Team. The Color Guard posted the national colors at P.T.A. meetings, assemblies, and football, basketball, and baseball games. The Fancy Drill Team consisted of cadets with outstanding drill abilities. They put in many hours after school preparing for performances at Open House, inspections, parades, and Field Day. The Rifle Team was composed of the best marksmen in the corps.

The spirit of the school was supplemented by the enthusiastic participation of Crawford's Training Corps. The cadets chose R.O.T.C. as an elective on the basis of interest in military service for a career or commission. The opportunity to drill in precise units, and to handle rifles and other weapons with more proficiency, were benefits provided by the course. By devoting much of their own time to practice in platoons and units, each cadet was rewarded by his association with well disciplined young men.

The Crawford 1965 football season, although undistinguished was highlighted by many of those magic moments in which the team showed its immeasurable skill and defiant spirit. Unforgettable was the eighty-yard touchdown run by Bob Petretta in the game with Morse High School.

Crawford's team, coached by Coach Frank Smith and Coach Marshall Malcolm, was supported by many fine Senior players in all the positions of the line and backfield. Behind these men was a team showing great potential for next year's Varsity.

These Were Their Finest Moments

Bob Petretta leaps to snatch the ball.

Crawford hoped for big things as the school year began and the 1965 Football season neared. Pre-league scrimmages boosted these hopes and a game away from home with Milliken High School in Long Beach, in which Crawford was victorious, 32-14, started a tremor of anticipation.

Halfbacks Tom Rubin and Bob Petretta opened the season with brilliant running plays against Point Loma High School. Defensive linebacker Jim Hunter distinguished himself early with his uncanny field sense and terrific tackling.

Tom Rubin is all alone at the moment of his catch.

Bob Petretta side steps a defender as he bolts for the ball.

Even though the Point Loma game ended in a tie, it seemed only a temporary setback; but this was not to be so. Hard luck enshrouded the rest of the season except in the game against Morse High School, when determined fight and spirit captured the field. Colt fury carried the day, and touchdown after touchdown brought deafening cheers from frantic fans, while red, white, and blue victory banners flew again. The final score was 33-7. The Morse game was the spur of satisfaction that topped off the season and left the Colt spirit shining and undaunted.

Crawford Topped Eastern League Cross Country

At the end of the Eastern League scramble, Crawford's Cross Country team came up with the honors, maintaining the title for the fourth year in a row.

Congratulations and thanks should be given to Coach Walter Harvey and his runners for maintaining the team's fine Cross Country record. Crawford received a crushing blow as the Colt distance run-

ners lost in the C.I.F. finals, but the members still upheld an impressive season record of eight wins and one loss.

Special attention should be given to team captain Larry Boles, Chuck Marshall, and Larry Marshall, whose times for the two-mile run were 10:23, 10:32, and 10:36 respectively.

The question of Crawford's gymnastics success was quickly answered this year. Coach Gerald Tooze led his superb team to another perfect season with twelve wins and no losses. Crawford has not lost a gymnastics meet in nearly four years and holds the league record of forty-two consecutive victories.

Crawford's sixth Eastern League Championship in a row was due to the fine form and hard work of the Gymnastics team. The last and best trophy was the fourth consecutive C.I.F. title.

Congratulation to Coach Tooze and his Gymnastics team, for they have quickly established Crawford High School as the perennial C.I.F. Champion.

Crawford Sported an Exciting Basketball Season

COACH SAMS

VON JACOBSEN
Captain

Crawford's Basketball team this year was again well instructed by Coach Sams. Mr. Sams announced that the team had spent over two hundred hours in practice. These hours were evidently well spent, because the team put forth a strong performance of eleven wins and four losses and earned the Eastern League Title. This was also the fourth year in succession that Crawford went to the C.I.F. semi-finals.

Crawford can be truly proud of some of its outstanding players this season. Von Jacobsen, the team captain, was deemed the league's most valuable player and top scorer. He is undoubtedly the most dynamic basketball player Crawford has seen since Larry Blume in the class of 1963. Other exceptional team members should also be mentioned, such as Greg Montanero and Kemp Ipsen. These players, Coach Sams, and the support of a solid team placed Crawford's name in victory.

J. V. Basketball Built Next Year's Varsity

Under the excellent training of Coach Ferguson, the Junior Varsity Basketball team made veteran players of good future Varsity men, such as David Okun and Daryl Sarfan. Because of this year's rigorous play, next year's team has high expectations for an Eastern League victory.

Crawford's Wrestlers Worked With a Will

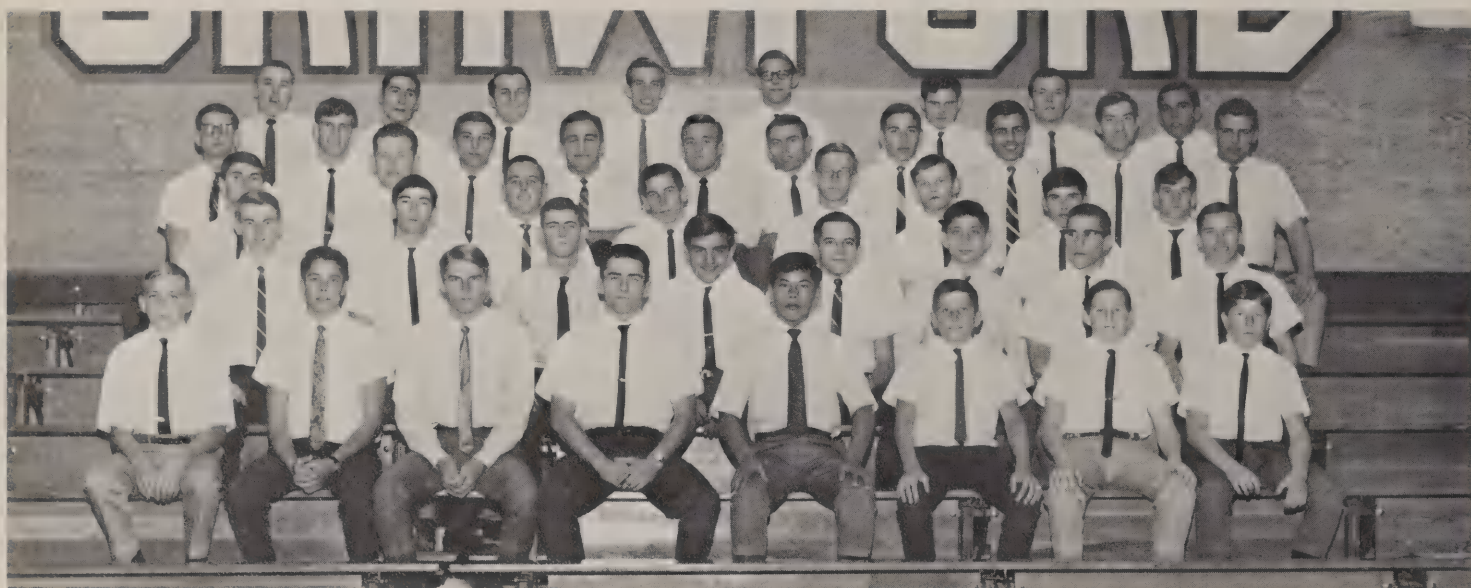

COACH LANHAM

Few people realize the fantastic amount of work needed to produce a solid wrestling team. Hours of running, calisthenics, and practice went into building this year's fine group of wrestlers.

Coach Lanham instructed his team well, for there were many moments of quick action, agility, and strength. The team supported such fine senior wrestlers as Tom Bartman and Dexter Lanois.

With many returning lettermen, Crawford's team will continue to improve and hopes for big honors next year.

Crawford Topped Eastern League Baseball for Third Successive Year

The 1966 varsity baseball season was the kind that spectators adore. The Crawford team displayed obvious skill and timing as gorgeous plays followed in close succession.

Serving again as baseball instructor was Coach Sandback, who has maintained our tradition of being Eastern League champions for three years and C.I.F. Champions for two years. Hopes for the same next year are high due to many returning lettermen and strong support from this year's J.V. squad.

Several players deserve special recognition for superb performance: Ed Ramage, pitcher; Frank Alfano, short stop; Bob Petretta, center-field; and Danny Coronado, second base.

Hayseed Hoedown was the Sophomores first activity.

Juniors relived their childhood days at Kiddie Kapers.

The Seniors began their three years' stay by showing overwhelming school spirit through participation in school activities. They elected Class Officers and J. V. Cheerleaders and planned their class party, "Hayseed Hoedown," held in the gymnasium on May 15, 1964.

Their most memorable days were yet to come. As Juniors they looked forward to their class party, "Kiddie Kapers," and their Junior Ball, "Wonderland by Night," which proved to be an evening of fun and memories. The selection of Senior Class Rings and the Senior Class Elections brought their second year to a finish.

Seniors enjoyed a night in the '20's, when fringe dresses and bow ties were in style.

Time was turned back, at the Senior Class Party, to the era of the Roaring '20's when raccoon coats and fringe dresses were in style.

With gay costumes and decorations, which included life-size portraits of Roaring '20's figures, the mood was set for a gay evening. Two bands, the Impalas and a Roaring '20's band, provided music and added to the enthusiastic atmosphere of the party.

Old-time flickers, a costume contest, and a Charleston contest added the finishing touches to a roaring party.

A Charleston Contest started the roaring party.

Establishing a missile base in a small town can create problems.

The U.S. Army established a missile base at Putnam's Landing, a quiet suburban town in Connecticut. The townspeople objected and Steve Littlewood, who played the role of the public relations officer had his hands full if he was to keep open warfare from breaking out between the citizens and the Army. A historic pageant which turns into a fight and a missile "which can't possibly" go off, and does, adds to the excitement of the delightful comedy.

Many hours of rehearsal and behind the scenes work went into the preparation of this wonderful, wacky comedy which delighted the audience.

Memorizing the script seems to be the major job.

The 1966 CENTAUR is meant to be pictorial and written record of the events of the past year—social, athletic, and scholastic. The staff has worked hard to develop the theme, improve the book, and provide extensive coverage. However, the final success of the CENTAUR depends upon the support of the student body of Crawford High School.

At this time, thanks should be given to the many people who helped create and produce the CENTAUR:

To the staff, who worked long, hard hours making the layouts, choosing the pictures, and writing copy for their sections.

To Mr. Linderman, our advisor, for his guidance and help with the technical and practical aspects of our work.

To Mr. Phil Binks and Mr. Burton Nestor of Busco-Nestor Photography Studios for their prompt and efficient service.

To Mr. Wiley Westerfield and Mr. Jim Neyenesch of Neyenesch Printers, Inc., for their co-operation and patience.

To the S. K. Smith Company for the fine work on the covers.

To Mrs. Irene Johnston for her help with the records and the management of our funds.

To the administration and faculty for their assistance and understanding in all the various situations which arose.

And to the many other people who inspired and encouraged the staff throughout the year.

It is the sincere wish of the staff that you enjoy and appreciate the 1966 CENTAUR as much as we do.

Sincerely yours,
Gail Reed

Dale,
 it has been a fun
 year knowing you in
 Biology. We had alot
 of great laughs. You
 have a fun personality
 and keep it that way.
 Good luck in the
 future

Dale,

It's been really nice getting to know you this year. I hope to see you safe and healthy after the summer.

Please don't go around slicing open any more frogs, although I know how talented you are in that area. Have a real nice summer and be sure to attend services at St. Andrews!

Sincerely,
Deby

It's been real exciting sitting with you in Bio. Writing up everyone's books and next to you in coming all over everyone's heads. Have a lot of fun in shuffle cards. everything. I sure hope you're always with God. Love, Charles

Dale, have your Hope live in your heart. Enjoy every moment of your life. Always love you. Love, Mary

Good + good luck in your studies. Love, Mary

Cale -
you have sure helped
me make it through
Maggot's class, I hope
to see you again
next year. May you
have a very wonderful
summer.

Hi Dale,
Well this year
finally came to an
end and only one more
to go. I see you had
to transfer out of English
class. I was really disappointed
Hope you have fun this summer and
I will be looking forward to seeing you next
year.
